

Deborah Henson-Conant Workshop - Blues in D

Start with the **RHYTHM**, cause the rhythm is the beat,
 Play it with your hands, and feel it down to your feet,
 Everyone: Play, play, play! Play the blues!

CHORUS:

PHRASE 1				PHRASE 2				PHRASE 3			
D7	D7	D7	D7	G7	G7	D7	D7	A7-A7	G7 -GF	D7 (Fill)	D or A (Fill)

Then you got the **BASSLINE**, boomin' down below,
 Following the harmony, steady as you go,
 Everyone: Play, play, play! Play the blues!

CHORUS

Now the **MELODY** swings the way the rhythm do.
 Scooby dooby dee! Scooby dooby do!
 Everyone: Play, play, play! Play the blues!

CHORUS

Sweet, sweet **HARMONY**! One, four, five!
 That's all you need to keep the blues alive.
 Everyone: Play, play, play! Play the blues!

CHORUS

You put 'em all together, you're playing the blues.
 Blues is like a game, where nobody lose.
 Everyone: Play, play, play! Play the blues!

CHORUS

Play the blues together, play the blues alone
 Play it at a party, play it at home,
 Everyone: Play, play, play! Play the blues!

CHORUS

This is the last time! Get ready for the end!
 The notes are gonna change! The notes are gonna bend!
 Play, play, play!
 Play that: D C B Bb A Bnatural C# D
