#12 FREEZE A LITTLE

OCTAVIA

FREEZE A LITTLE BIT, NO ONE WILL NOTICE.
DIE A LITTLE BIT, NO ONE WILL SEE.
LOSE A LITTLE PIECE OF YOUR HEART, NO ONE WILL KNOW.

(spoken) Why shouldn't we be
absolutely comfortable? Why
shouldn't we hide our feelings?
After all, they just get in the
way of business, right?

FREEZE A LITTLE BIT, NO ONE WILL NOTICE.
DIE A LITTLE BIT, NO ONE WILL SEE.
LOSE A LITTLE PIECE OF YOUR HEART, NO ONE WILL KNOW.

WHEN THE THOUGHT IS IN YOUR MIND, DON'T THINK.
WHEN THE FEAR IS IN YOUR HEART, DON'T FEEL.
TRY A LITTLE BIT EVERY DAY
TO LOSE A LITTLE BIT OF YOUR HEART.
YOU'LL SEE!

OCTAVIA

MOLLY

Freeze a little bit (etc.)

(spoken) When you hear about
people dying from accidental
poison gas leaks, concentrate
on the numbers. Don't think
about their families, that
they had favorite songs,
favorite TV shows. When you
see photos of men being
beaten, don't think "that man
is being beaten", think "the
participant is being
subdued"! Never think of
participants as mothers or
fathers or children. Think
of them as casualties --
that's the key! Think of
their deaths as casually as
you can.

FREEZE A LITTLE FEAR AND YOU
FREEZE A LITTLE JOY,
IT'S THE SAFE WAY TO LIVE
WITHOUT FEELING!

FREEZE A LITTLE FEAR AND YOU
FREEZE A LITTLE SMILE,
THAT'S THE WAY TO EXIST
WITHOUT FEELING!

(OCTAVIA)

FREEZE A LITTLE BIT, NO ONE WILL NOTICE!
DIE A LITTLE BIT, NO ONE WILL SEE.
LOSE A LITTLE PIECE OF YOUR HEART! NO ONE WILL KNOW!
NO ONE WILL KNOW!
NO ONE WILL KNOW!

(spoken) Except maybe you.

(MUSIC VAMP)

And maybe you can fool yourself, too.
